Dear Chair DeFazio and Ranking Member Graves:

I am requesting an increase in federal funding authorization for ongoing Sec. 219 Environmental Infrastructure work in Southwest Virginia in the Water Resources Development Act of 2022. The project sponsor for this project is Lee County, Virginia and the project is located in Lee County in Virginia's Ninth Congressional District. The purpose of this project is to update water and wastewater infrastructure. The project is an appropriate use of taxpayer dollars and is anticipated to benefit the community by providing critical updates to the water and wastewater infrastructure in the county.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "H. Morgan Griffith".
